Dear Friends,

The staff and board of KPFC would like to cordially invite you to join us for our Second Annual Stone Catchers Masquerade Ball on Friday, March 1, 2019 from 6:00 – 10 p.m. ET at the Kentucky History Center, 100 West Broadway Street, in downtown Frankfort! This family-friendly event is sure to be a night of festivities to celebrate those who do so much for others while also getting all dressed up to enjoy an evening of dinner, music and fun! We will be recognizing special guests who help and protect others on a regular basis AND we will also recognize the Stone Catcher of the Year!

"A Stone Catcher is a person who catches a stone of:

- *Hate before it becomes a revolution;*
- *Worry before it festers into illness;*
- *Fear before it turns into anger;*
- *Insult before it injures another's self-worth;*
- *Insolence before it becomes a bully ;*
- *Argue before it becomes a separation."*
