

PREPARING FOR EMPLOYMENT

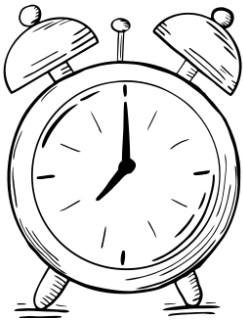

3 Important Steps

Preparing for the Interview

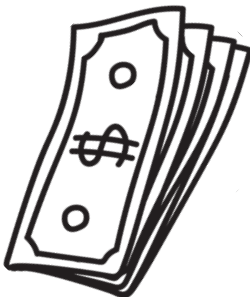

- Research the company: This can give you important insight into what the company looks for in an employee
- Update your resume
- Check social media for updates from the company you applied to so you can discuss what the company is currently doing

Presenting Your Best Self

- Dress for success: Wear clean, wrinkle free clothes and clean shoes
- Arrive at interview on time
- Know and show interest about the company
- Be comfortable talking about your strengths and about the areas you need to grow
- Follow up after the interview by sending a sincere thank you

Got The Job! Now What?

- Banks and credit unions are safe places to put your money. Put money in the bank by depositing in person or through direct deposit
- Gross Earnings reflects your pay before taxes are taken out
- Net Pay is what you bring home after taxes have been taken out of gross earnings
- Make a budget
- Live within your means
