

MY TRANSITION ROADMAP

BEFORE YOU TURN 18

Having a plan before you turn 18 years is an important factor in your success. Knowing what to plan for and determining who can help you starts early.

WHEN YOU TURN 18

All your decisions now belong to you. Using the knowledge and supports systems you have been working on, you can make sound personal and legal decisions.

AFTER YOU TURN 18

Transition is not something that goes away as an adult. We must constantly learn new skills and adapt to new environments. So keep growing your support systems and your skills.
