October 13, 2026 Stronger Together: Talking with Families About Developmental Concerns with Confidence

Join us for an interactive session designed to help early childhood professionals communicate more confidently with families. Participants will learn practical strategies for sharing documented observations, using collaborative communication, and accessing helpful resources. Build trust, strengthen partnerships, and support positive outcomes for young children through effective, respectful collaboration.

November 10, 2026 Supporting Students with Disabilities and Behavioral Needs

Students with disabilities who experience behavioral challenges need timely, structured, individualized support to fully access instruction. This session highlights proactive strategies for addressing behavioral needs through early intervention, collaborative problem-solving, and strong family-school partnerships. Those partnerships during interventions, evaluation, FBA/BIP development, and IEP implementation strengthen outcomes, reduces escalation, and promotes consistent support across school and home.
